E-00000H-09-0113

Under A.A.C. R14-2-703A and B, electric utilities subject to the Commission's resource planning rules must file historical data each April 1. These reports are filed in Docket Control by the utilities so that the public may have access to them.

For record-keeping purposes, please open a docket to receive the filings due on April 1, 2009 (containing 2008 data). Staff will request that this docket be closed when all of the utilities have made their filings this year.
